Dear Supervisors:

**ADOPTED**

BOARD OF SUPERVISORS  
COUNTY OF LOS ANGELES

28 April 8, 2014

*Sachia A. Hamai*  
SACHIA A. HAMAI  
EXECUTIVE OFFICER

### **LOS ANGELES COUNTY AREA AGENCY ON AGING 2014-2015 PLANNING AND SERVICE AREA PLAN UPDATE (ALL SUPERVISORIAL DISTRICTS) (3 VOTES)**

#### **SUBJECT**

The Older Americans Act (OAA) of 1965 mandates all Area Agencies on Aging (AAA) to have an Area Plan that identifies goals and related objectives of each AAA's unique needs. The Los Angeles County AAA Fiscal Year (FY) 2014-15 Area Plan Update is a document that not only fulfills the mandates set forth in law, but also informs the public and policymakers, locally and statewide, how the AAA plans to address local needs and accomplish State goals and objectives. The yearly Area Plan Update process enables the AAA to appropriately re-examine its direction and progress as a result of changing circumstances.

#### **IT IS RECOMMENDED THAT THE BOARD:**

1. Approve the FY 2014-15 Planning and Service Area Plan Update (Attachment I).
2. Authorize the Director of Community and Senior Services (CSS), or designee, to sign the Letter of Transmittal on behalf of the Chairman of the Board and submit the plan to the California Department of Aging (CDA).

#### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The recommended actions are necessary to allow CSS to submit the FY 2014-15 Planning and Service Area Plan Update to the CDA for approval. CDA approval of the Area Plan Update is a

required condition of the State's agreement with the AAA.

#### Implementation of Strategic Plan Goals

The activities identified in the Area Plan support the Countywide Strategic Plan Goals: Goal #1 Operational Effectiveness, Goal #2 Children, Family and Adult Well-Being, and Goal #4 Health and Mental Health.

#### Performance Measures

All agencies contracting with CSS are required to develop benchmark criteria for each of their performance standards. CSS will assess the agencies' performance during each monitoring visit.

### **FISCAL IMPACT/FINANCING**

The activities described in the update are financed by the federal OAA, State, and local funds.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The Area Plan reflects a comprehensive and coordinated system with specific goals and objectives for providing services to older and functionally impaired adults with the greatest economic and social need, and to individuals at risk for institutional placement.

The FY 2014-15 Area Plan Update provides a status report of progress made by the AAA in meeting the specified goals and objectives. The Los Angeles County Commission for Older Adults and the public participated in the planning process, and reviewed and commented on the goals and objective of the plan. County Counsel has reviewed and approved the form of the Area Plan Update (Attachment I).

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

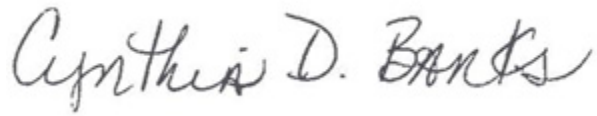

Approval of the FY 2014-2015 Area Plan Update will enable the AAA to continue with its home- and community-based long-term care initiatives and programs. These programs provide opportunities for functionally impaired and older adults to live their lives with maximum independence and dignity in their own homes and communities.

The Honorable Board of Supervisors

## **Estimated Number of Lower Income Minority Older Individuals (Target Population)**

The Older Americans Act (OAA) defines a number of “target populations” which Area Agencies on Aging (AAA) should make special efforts to include in the planning and delivery of community-based services. These targeted groups consist of older individuals with any of the following characteristics:

- Native American
- Isolated, Neglected, and/or Exploited
- Frailty
- Reside in Rural Areas
- Have Limited English-Speaking Ability
- Have Alzheimer’s Disease and Related Disorders
- Have Disabilities, especially Severe Disabilities
- Unemployed Low-income Seniors
- Caregivers (as defined in Title III-E)
- At risk of institutionalization

In addition, the OAA defines two special categories of targeted individuals. Those with the “greatest economic need” are seniors, particularly minority seniors, with need resulting from an income level at or below the Federal Poverty Level. Second, older adults with the “greatest social need” that have a need caused by non-economic factors such as physical or mental disability, language barriers, or cultural, social or geographic isolation that either restricts the ability of an individual to perform daily tasks or threatens their capacity to live independently.

It is the main focus of the AAA to serve those with the greatest economic and social needs and efforts are made to also help all targeted populations. One of the categories included in this population is frail seniors who are at risk of institutionalization. In addition, it is critical that all AAA-funded providers make this a priority. The protection from abuse, neglect and exploitation is also a critical issue for the County and AAA. Addressing these issues is done primarily through a network of partners, including collaboration with administrators of the Ombudsman program. Elder abuse prevention services are also provided by CSS’ Adult Protective Services, who partner with agencies such as the Los Angeles County Sheriff’s Department, Consumer Affairs, and others.

The Los Angeles County AAA is estimating to serve the following number of lower income minority older individuals for the FY 2014-15:

- Minority clients – 26,458 (58%)
- Rural clients – 723 (1.6%)
- Low income clients (below poverty level) – 19,260 (43%)

**LONG-TERM CARE (LTC) OMBUDSMAN PROGRAM OUTCOMES**

**2012–2016 Four-Year Planning Cycle**

As mandated by the Older Americans Act, the mission of the LTC Ombudsman Program is to seek resolution of problems and advocate for the rights of residents of LTC facilities with the goal of enhancing the quality of life and care of residents.

Baseline numbers are obtained from the local LTC Ombudsman Program's FY 2010-2011 National Ombudsman Reporting System (NORS) data as reported in the State Annual Report to the Administration on Aging (AoA).

Targets are to be established jointly by the AAA and the local LTC Ombudsman Program Coordinator. Use the baseline year data as the benchmark for determining FY 2012-2013 targets. For each subsequent FY target, use the most recent FY AoA data as the benchmark to determine realistic targets. Refer to your local LTC Ombudsman Program's last three years of AoA data for historical trends. Targets should be reasonable and attainable based on current program resources.

Complete all Measures and Targets for Outcomes 1-3.

**Outcome 1. The problems and concerns of long-term care residents are solved through complaint resolution and other services of the Ombudsman Program.  
[OAA Section 712(a)(3),(5)]**
